

# THE 8th ANNUAL Northwest Quilt, Craft & Sewing Festival

November 12, 13 & 14, 2009

at the Puyallup Fairgrounds

(Pavilion Building – Enter at Gold Gate)

Thursday, Friday, & Saturday — 10:00 am - 5:00 pm

## WELCOME:

The Rusty Barn Promotion Group, Inc. welcomes you to the Quilt, Craft and Sewing Festival at the Puyallup Fairgrounds.

At our show you will find a wide variety of Quilting, Sewing, Needle-art and Craft supply exhibits from many quality local and national companies. In addition, you will have the opportunity to participate in one or more of the many "Make and Take" Workshops or FREE educational Seminars.

Your ticket is good all three days of the show — so please take your time and don't miss any of the exciting new products, techniques or educational ideas.

## ACCURATE ROTARY CUTTING

Carol Bledsoe (booth #312)  
Accurate cutting is essential for successful quilting. If your pieces are cut correctly, your quilts will go together more easily. Carol Bledsoe with Sew EZ Quilting, Inc. will explore some of the tools that will make your cutting more accurate.  
Classroom #1, 2:00 p.m.

## ELEGANT IRIS WITH HOT RIBBON APPLIQUE TECHNIQUE

Lennie Honcoop (booth #835)  
Learn an easy way to complete an appliqué project without sewing. Hot Ribbon has become THE method for finishing off the raw edges from appliqué without sewing, while at the same time giving that extra special look to your appliqué! Learn how to look at fabrics to find the pattern that will add realism to your design. Find different ways to use Hot Ribbon in your quilt, and shading techniques with permanent markers to give your design that right tone and hue.  
Classroom #2, 1:00 p.m.

## FABULOUS FIBERS FOR COUCHING, MACHINE EMBROIDERY, CROSS STITCH, SMOCKING AND MORE

Nancy McElhinny (booth #216)  
Break away from the traditional threads and enjoy the experience of using fibers that you've never tried before. Suggestions for bringing your projects to life using some of our textured fibers like Avanti, Peluche and Son Sensation as well as our fabulous variegated ribbon and trims. Free samples, open discussion and lots of examples for you to see.  
Classroom #3, 3:00 p.m.

## FUN THINGS TO DO WITH A RECYCLED SWEAT SHIRT

Teri Chandler (booth #119)  
Christmas stockings, Advent calendars, jackets, coasters and even a Christmas tree

skirt. We will show you some fun new patterns and ideas to get your recycling juices going.  
Classroom #1, 11:00 a.m.

## GET TO THE POINT

Teri Chandler (booth #119)  
Love your quilt but don't have those points turn out so well? Paper piecing is an easy technique that anyone can do because the expertise is in the pattern and does not depend on the person. We will show you how to put fabric on the pattern, enlarge and reduce and make those points come out perfectly. You'll love the technique!  
Classroom #1, 1:00 p.m.

## GOT PHOTOS? SIMPLE & EASY SOLUTIONS!

Lane Hill (booth #839)  
Come join us for a fun and exciting class on turning your digital photos into something special. We'll show you how our simple and easy to use Memory Mixer software solution can help you take those stored photos (from your camera or computer) and in literally a few minutes and a few mouse clicks... help you create a one, two, or even a several page, full color scrapbook album. In minutes, you can take your family digital photos and easily create something beautiful and wonderful. Who knew scrapbooking could be so easy and so fun!  
Classroom #3, 2:00 p.m.

## IF YOU CAN'T FIND IT...DESIGN IT!

Stephanie Kleinman (booth #321)  
Fabric Studio™ is a software program that allows you to easily create and print your own fabric designs by using your own home computer. The software lets you create beautiful fabrics in only three easy steps. For the more advanced users, Fabric Studio™ has both the depth and flexibility to manipulate images and text, and to create one-of-a-kind patterns that any designer would be proud of. This is the ultimate software program for the fabricaholic! Explore

some of the creative uses for your fabric sheets including home decorating, personalized gifts and photo memories.  
Classroom #2, 2:00 p.m.

## IT'S NEVER JUST A SWEATSHIRT WITH FABULOUS FIBERS

Nancy McElhinny (booth #216)  
Sweatshirt jackets are in, so break away from traditional methods and enjoy the experience of using embellishments you have never tried before! This lecture & trunk show takes you through the steps of buying, tailoring and embellishing your sweatshirt in many different ways. Nancy encourages questions! We guarantee you will be inspired as she walks you through the many ways her models have been created. Free fiber samples, open discussion and lots of examples for you to see.  
Classroom #3, 12:00 Noon

## QUALITY SEWING SEMINAR - SERGER
